My Favourite Toy

I'm an eleven-year-old girl. I have a lot of toys. I like the big panda best. I got it as a birthday present from my mother. It's quite big and soft. I think pandas are very brave. People all over the world like them very much. Look at her big black eyes and the white body. How cute it is! I put it on my bed. I go to sleep with it every night. I don't feel afraid when it rains heavily outside. I'd like to talk to her when I'm upset. It's my best friend.
