Recently, SuperStar changed the TOCs of their ebooks (viewed in browser) to Flash format. As a result, when you read the ebooks online in a web browser, if the language for non-unicode programs (system locale) of your PC is NOT Simplified Chinese, the TOC of SuperStar ebooks will not be displayed properly even though the character encoding of the web browser has been set to “Simplified Chinese” or “Auto-Select”.

To change "system locale" :
1. Go to the Control Panel of your PC

Control Panel

Change settings and customize the functionality of your computer.

Adjust your computer's settings
