第二节 书面表达 (满分 25 分)

One possible version:

<u>Dear Peter,</u>

<u>How is everything going?</u> I'm writing to tell you some good news. A swimming club has been founded in our school, which aims at enriching our after-class life. Since you are crazy about swimming, I'd like to invite you to join us.

Club members meet every Friday afternoon for mass learning. Regular courses are provided on how to develop life skills by swimming. And chances are also available for exchange activities.

If you're interested, please turn to the student union office, which is situated at the east end on the ground floor of the office building. It opens from 3:00 to 6:00 pm on weekdays.

I'm looking forward to your quick reply.

<u>Yours ever,</u> <u>Li Hua</u>
